Multi-site budget worksheet

EntryPath software and hosting: GBP 30 per site per month or GBP 300 per site per year, paid upfront. Annual billing saves GBP 60 per site against 12 monthly payments. Confirm billable sites in your quote.

Organisation / site: _____ Review date: _____

Budget line	Calculation / quote	Amount (GBP)
Number of billable sites	N =	
Monthly subscription	N x 30 per month	
12 monthly payments	N x 360	
Annual subscription (paid upfront)	N x 300 per year	
Annual-billing saving	N x 60 per year	
Optional standard assisted setup	Rates and terms below	
Kiosks, stands and other equipment	Supplier quote	
Training, import or installation beyond agreed setup	Agreed quote	
Specialist integrations and additional services	Agreed quote	
Other agreed support charges	Agreed quote	
Applicable VAT	As confirmed in quote	
First-year total for chosen billing	Subscription + extras + VAT	

Optional one-off setup totals for 1-5 sites: GBP 199, 358.20, 477.60, 557.20 and 597 respectively. Calculate GBP 199 x sites, then discount the whole total by 0%, 10%, 20%, 30% or 40%. For 6-9 sites, request a setup quote. Standard remote setup is free for 10+ sites with annual payment upfront or a 12-month minimum term paid monthly. The monthly option then automatically becomes 30-day rolling, with 30 days' notice to cancel. Ten sites: GBP 3,000 annually upfront or GBP 300 monthly (GBP 3,600 over the minimum term), including hosting and standard remote setup. Scope is agreed in advance. Bespoke migrations, integrations, extra training, hardware and on-site visits are quoted separately. Prices exclude extras and any VAT. This is not a binding quote.

Next step: compare the first-year total and ongoing costs. Use entry-path.com/pricing/#calculator for an instant subscription estimate.
