Visitor system comparison

Give each supplier the same scenarios. Write Demonstrated, Confirm in writing or Not supported in each column, plus any conditions. Compare equivalent scope, not headline prices alone.

Organisation / site: _____ Review date: _____

Question / scenario	Supplier A	Supplier B	Supplier C
New visitor arrival, rules and host notification			
Returning visitor: update details and accept current rules			
Staff, contractors and custom attendance groups			
Mobile sign-in on shared and personal devices			
Multiple sites, roles and permitted exports			
Emergency roll call and lost-connection behaviour			
School/MIS coverage, permissions and limits			
Device/browser compatibility and badge equipment			
Data protection, retention and end-of-contract export			
Subscription, hosting and renewal basis			
Setup, hardware, integrations and additional services			
Support cover, minimum term and cancellation			

Attach dated proposals and demonstration notes. Do not treat an empty box as an included feature. Request a total payable that confirms VAT and all relevant charges.

Next step: shortlist against your essential requirements and document anything still to be confirmed.
